

Mrs Anna M. Davies
President
THE HENRY SWEET SOCIETY

Dear Mrs Davies,

I'm glad to inform that on February 21, 1992 the constituent meeting of the Georgian Society for the History of Linguistics took place in Tbilisi. The meeting was attended by 15 linguists working in various fields of the history of linguistics.

I addressed the meeting with the information about the necessity of founding the Society and told the present about its aims. The participants in the meeting approved the idea and decided to found the Society with the following structure:

1. Management Board - 7 members
2. Editorial Board - 3 members
3. Interrelations Board -3 members
4. Learned Secretary - 1 member

The Board has its chairman and his deputy. The Society will publish an yearly journal "Tselitsdeuli" and theses of the speeches for every scholarly meeting. The membership dues are 50 rubles per year. We understand that the sum is insufficient for publishing the said journal taking into account the cost of paper so boosted this year. We, however, hope to find some additional sources for the forthcoming year. The next meeting is scheduled for April 20, 1992. It will be aimed to mark the 105th anniversary of birth of Academician G.Akhvlediani, the prominent Georgian linguist of the 20th century.

Dear Mrs President, should this information suffice, we are asking for admittance to your International Society as a member. In case some other forms of application are needed, please advise us.

Very truly yours,

Alexander Potskhishvili
Professor, Chairman
